

Inter House Maths Quiz - Classes VI – VIII

The Inter House Maths Quiz for Classes VI - VIII will be held soon after the Half Yearly Examinations.

The preliminary round for the selection of students for the quiz will be held on Friday 10 August 2018. The preliminary round will be based on the questions given in the question bank.

Selection of students who will participate in the final round of the quiz will be based on their performance in the preliminary round.

All students are requested to go through the questions carefully and prepare for the preliminary round.
