

# LaunchX

LaunchX is a platform which empowers high school students to create real startups from scratch. Throughout the school year, LaunchX provides the curriculum, training and mentorship to foster these companies and helps students develop problem solving, management, marketing, leadership and other essential skills, while providing hands-on practical experience through the creation of their own company.

Details:

- \* Open for classes 9-12 [All streams]
- \* Fees of approximately Rs.2000 to be paid at future date
- \* Requires 3-5 hours of commitment per week
