

**Namaste !**

The new session is upon us and with it more events and activities. We are proud to send you an e-setu in keeping with the changing time and shouldering our responsibility towards the environment. You will find it filled with all the information about the events, assemblies, inter school events and other happenings in the school during this quarter.

## Junior and Senior KG

The little ones returned to school after a long summer break, refreshed and abound with energy and enthusiasm. They quickly settled down into the daily routine. A well planned academic curriculum integrated with numerous fun filled activities was designed to keep up the interest of the children. These activities helped the children to bond with their friends and educators alike and boosted their confidence.

## Class - I

The children have gradually become comfortable in class-I and are enjoying academics as well as the extra co-curricular activities planned for them. Their reading prowess and expression are improving by leaps and bounds. With each event, the confidence of the children is showing commendable improvement. This has been a growth based quarter coupled with a successful PTM.

## Class - II

Students of class-II returned to school all charged up with vibrant energy ready to face all new challenges and achieve new milestones. They are very confident and are developing new skills with ease. Regular planned class reviews in class are helping them keep up pace with academics. A healthy mix of sports, academics and co-curricular activities dotted with meaningful assembly presentations is helping them groom and bloom.
