

**Dear Parents,
Namaste**

We extend a warm welcome to all our new parents. It's time to update all of you about all that has happened in the school during the months of June, July and August. June saw the school come back to life with the tremendous energy of the children who joined school after a long refreshing summer break. Even the new children quickly got into the school routine and became confident Shishyans. The class activities planned by the educators at all levels for various topics have hooked up the children to their academics. They enjoyed participating in all the activities planned for them with lots of excitement. Many events, assembly presentations and class reviews have helped the children gain confidence. The Shishyans are also gearing up for the gala event of the school calendar Navaarohan. A fair chance was given to all our students as they underwent a process of selections for various track and field events. Practising for the major event and preparations for the first Unit Tests are going on hand in hand. By the time the Setu reaches you, our Shishyans of classes III-V will be through with their first Unit Tests.

16	28.08.15	Nursery	One Minute Game	The little ones played passing the ball, musical chair and an action game.

Special Assembly Presentation

The students of classes III–V participated in a wonderful special assembly presentation on Independence Day. An array of cultural and informative programmes was presented by them. Mellifluous renditions of old classic patriotic songs like Nanha Munna Raahi Hu, Insaaf ki Dagar Pe, Chhodo Kal Ki Baatein and Dil Diyaa Hai by the little ones of class III left everyone enthralled. The presentation on the Journey of the Tiranga, the historic speech 'Tryst with Destiny', recitation of Tagore's 'Where the Mind is Without Fear', amazing facts about our nation India and a lovely dance performance on the foot tapping number 'Desh Rangeela' were the other highlights of the programme. The special assembly was appreciated by all the educators and children alike.

Assembly on Vanmahotsav : Class-III

Class Assembly on Pencils : Class-IV

Busy Finding Meanings in the Dictionary

Comperes of Independence Day Assembly

Dancing to the tune of Desh Rangila

Learning to Evaluate Their Mental Math Sheets

Orating Tryst with Destiny

Reciting 'Where the Mind is Without Fear'

Sharing the Journey of the Tiranga

Singing Chodo Kal Ki Baatein

Singing Patriotic Songs

Speaking about Importance of Exercise

Workshops In School

- ❖ Shishukunj is continuously striving towards updation and value addition to keep up with the continuously shifting education practices and pedagogy. Capacity building of educators through training, seminars and workshops are an ongoing process. Keeping this in mind, a Math workshop was organized by us for all pre-primary and primary educators on 6th June with Jodo Gyan, New Delhi. We had associated with them a few years ago to equip our Math Lab and now we have reinforced our association with procuring new material from them at every level.
- ❖ In continuation with our endeavour to update our educators with the teaching learning pedagogy and adopt best practices in the classrooms an interactive workshop was conducted on 9th June for pre-primary and primary educators. The topics covered were Howard Gardner's Multiple Intelligences and implementation of the same in our lesson plans through group activities. This was further related to 'Perception' and varied areas where young children face difficulties in visual and auditory sensory integration. The workshop was conducted by Mrs. Namrata Ramakrishnan, the in charge of the Junior School.

Academic Achievements of Shishyans

- ❖ Aarjav Choklia of grade IV and Krish Shah of grade III received Achievers Award for scoring highest Math score in Asset Exam held in the year 2014.

Sports Achievements

- ❖ Krish Shah of class IV- A and Nishika Kankaria of class IV represented the school in Madhya Pradesh State Schools Individual & Team Chess Championship held in Progressive Education School. Krish was the first runner up and Nishika was the second runner up in the team chess championship.
- ❖ Krish Shah also represented the school in the 29th National under 9 chess championship at GSCA Ahmedabad. He has been placed 36th in the event.
- ❖ Congratulations on the outstanding performance of Shishyan Nishka Kankaria of IV-B for securing the Third position in under 14 SGFI Interschool Tournament.
- ❖ Vratika Jain of IV-F and Vihaan Parakh of V-A represented the school in Sahodaya Inter School Skating Tournament held at Agrawal Public School. Vratika Jain won a Silver Medal in Rink Race II and Vihaan Parakh won a Silver Medal in Road Race.
