

Namaste

Seasons Greetings !

This edition of Setu comes packed with loads of information about the various in house activities, sports events and all the inter school events our Shishyans participated in. These few months have been the busiest months with the students and educators of classes III-V preparing for the school's Annual Day 'Anugoonj' & Annual Exhibition 'Pratibimb'. Both these major events were immensely appreciated by all.

Junior and Senior KG

The youngest members of the school have become confident and expressive. A balanced curriculum and a host of co curricular activities planned very thoughtfully for them kept the little ones constructively busy. They also enjoyed the various events and participated in them with great enthusiasm.

Class I & II

The students of classes I and II exude a lot of confidence in their academics as well as the co curricular activities planned for them. Attempting well planned class reviews independently reflects their readiness for the next level. The young Shishyans are now gearing up to practice for their annual day and exhibition.
