Junior Wing

Volume 2

September - December 2018

Seasons Greetings!

We are happy to release our second volume of Setu. The past few months have truly been a roller coaster ride. It's been a time full of opportunities, a time full of learning and a time well spent; learning and enjoying with friends all at the same time. The Shishyans have been competitive at times and have even lent a helping hand on various occasions. It has indeed been a delightful period, wherein our Shishyans have been able to win a lot of accolades and prizes for themselves and the school. Besides, they are gearing up to put up two mega events Pratibimb and Anugoonj.

Every child is gifted. They just unwrap their packages at different times.
