

We are happy to present a new coloured version of our school newsletter, Setu. A host of activities, both academic and non-academic are conducted in school from time to time. The purpose of this letter is to keep you updated with all the events that take place in school. We are sure it will also be a source of encouragement and motivation for all Shishyans.

We are delighted to print the Class X and XII results in this new issue. Our heartiest congratulations to all the students who have brought laurels to the school and the teachers who have guided them. We are sure our future batches will continue to keep the Shishukunj flag flying high.

What We Do Is Much More Important Than What We Think, What We Know Or What We Believe In.

THE 'YOUNG INDIANS GROUP' SPREADING THE MESSAGE OF ENVIRONMENTAL CONSERVATION.

SAVING THE ENVIRONMENT NOW !

Environmental issues occupied pride of place in the new session 2012- 13. The "Young Indians Group" conducted an interactive session on the need to save water. With their enlightening talks , supported by Power Point presentations and video clippings , they

impressed upon young minds that urgent action is required NOW.... if we are to save the planet.

SUPER 30 !

The Shishukunj family was honoured by the visit of Mr. Anand Kumar , founder of the Super 30 group. His one and a half hour lecture , full of real life anecdotes, held the audience spell bound. The audience listened with rapt attention

THE SKY IS THE LIMIT

as Mr . Kumar unfolded real life stories of underprivileged children who had made it to the IIT or other leading institutions of the country and around the world. His message was very clear, "Don't blame the circumstances, everything is within your reach ." His mantra of success is nothing but "passion, hardwork and patience." With a mix of all these, the sky is the limit, not only for students under his guidance, but for all of us!

ENGLISH CANNOT BE TAUGHT... IT HAS TO BE CAUGHT !!

Tips on English language techniques (ELT) were given to teachers by Ms. Vandana Sareen from Delhi. The day

THINK ENGLISH... SPEAK ENGLISH

long interactive workshop conducted by her introduced various techniques to make the students 'catch' the language !!

The IBM team ... Every drop is precious Even the smallest effort counts !

Along similar lines was a group discussion with the visiting IBM team for students of Classes X and XI. The team comprising of highly placed professionals from different parts of the world was here to spread the message, "Every drop is precious".

Educators training / workshops

LIFE SKILLS TRAINING IN PROGRESS

end, a number of workshops were conducted for the educators just before the school reopened.

LIFE SKILLS.....THE MOST IMPORTANT SKILLS
Life skills are now an integral part of the CBSE curriculum. Dr. Sangeeta Saksena, Co author of ONTRACK books, visited us from Bengaluru to guide the teachers on how to make life skill classes interesting and effective.

MAKING YOUR MONEY GROW

A team sponsored by the National Stock Exchange, conducted an interactive session for Classes IX and X on the importance of wise spending and saving money. This was followed by a discussion on "Money Matters" with the teachers.

MONEY WISE

LEARNING TO LIVE IN HARMONY WITH SELF AND OTHERS

Sessions conducted by Mr. and Mrs. Golwelkar proved very beneficial to all educators. Educators underwent a psychometric test after which two days were devoted to discussions on how to achieve a balance in life and live in harmony with oneself and others. We are confident these counseling sessions will go a long way in helping the educators lead a balanced life, thereby contributing to the well being of the students and the school at large.

IT IS ALL ABOUT BALANCE !!

LEARNING FROM EACH OTHER

DEMO classes in various subjects were conducted so that educators could learn new techniques from each other. This exposed them to a variety of innovative teaching methodologies and is surely going to make the lessons more interesting for the students.

A COMPUTER CLASS IN PROGRESS

COMPUTER SKILLS

The Computer faculty conducted refresher courses for the educators to update their computer skills. Knowledge of several subject specific applications was imparted to the 'student' teachers!

INTERNATIONAL NEWS!

A YEAR IN A FOREIGN LAND

Raag Sapra of Class XI has been selected for a year long scholarship to Germany under AFS. He will be attending a school in Germany from August 2012.

MINGLING WITH STUDENTS FROM DIFFERENT PARTS OF THE WORLD

THE WORLD IS OUR STAGE

Shachi Solanki of Class XII was among the 48 students selected from across the country for a 12 day visit to Japan under the JENESYS Programme. She shared her rich experiences and memories with other Shishyans at a special session. Her wonderful photographs and interesting anecdotes have inspired other students to apply for International Scholarships / Programmes offered by the school.

TAKING CARE OF OURSELVES

HEALTH..... MORE IMPORTANT THAN WEALTH !!

Supporting the maxim, 'Health First', a talk on general health issues was delivered by Dr. Manila Kaushal. She impressed upon the teachers the need to look after their own health (along with that of their families) and not overlook minor signs of discomfort which may lead to complications at a later stage.

IAYP....CHALLENGING PEOPLE EVERYWHERE

The IAYP (International Award for Young People) Award ceremony for the first batch of bronze medal winners was held on 22 June '12. 24 students received the award from Ms. Sarita Badhwar, Director Round Square and Internationalism, The Daly College, Indore.
