CBSE Science Exhibition - now on the National level !

The school, represented by Kuhoo Mishra and Sakshi Agrawal of Class XII, participated in the CBSE Regional Level Science Exhibition - 2014. The theme for the exhibition was 'Conservation of Natural Resources and Community Health.' Shishyans presented their project titled 'Banana Peel and Fern - A Green Solution to Pollution' which was highly appreciated by the judges as well as the audience. This project has now been selected to compete at the National Level.

Award Ceremony- to encourage, motivate and inspire !

Ojas 2014 was a grand Award Function held on June 21, 2014 in which the school felicitated and recognised Shishyans for their diligence and exemplary performance in various aspects of school life. Awards were given under various categories – academics, sports, dance, drama, clay work, public speaking, creative writing, etc. The Model Shishyan Award was given to students who set an example through their conduct and showed what it means to be a true Shishyan. The Kaizen Award went to those Shishyans who showed commendable progress in all aspects of school life.

Over 1600 awards were given during the ceremony with many Shishyans getting more than one award.

BEYOND INDIAN BORDERS: INTERNATIONAL NEWS

Germany

Akshina Bhargava, student of Class XII A was selected by AFS India for a student exchange programme to Germany. She stayed in Germany with a host family for two months and attended school there, thereby getting a first-hand experience of German culture.

Hungary

Six students from our school were selected to go on a 4 week exchange programme to Hungary under the aegis of AFS. It involved a 2 week stay with a Hungarian host family followed by a 2 week tour of the country. The students have returned with wonderful memories and are all set to be international ambassadors!

Educational trips

ISA

The Shishukunj International School, Indore has been accorded the International school Award (ISA) for 2014-2017 by the British Council. It is a confirmation that the school has a strong

international dimension and is doing its utmost at all levels to nurture global citizens.

The assessment panel made the following summary feedback on the approximately 400 page dossier submitted by the school:

"The document well established the complete learning cycle. There was well established evidence of students' work and new learning. Collaborative work done across various projects and levels is well appreciated. Project on English as an international language and Global Dimensions are worth special mention for the immense thought, planning and execution of the the whole project.

The international dimension and whole school involvement was evident from the evidences
