Shishyans of Class V at Utsav

School Events

The students of **Classes III** and **IV** participated in Hindi Elocution on the topic **Traditional Games** as part of their British Council Project while the students of **Class V** took part in English Elocution.

The children of **Sr. KG** took part in a **Listening Skills** event wherein they listened to their educator's instructions carefully and followed the steps of colouring.

School Events

The assembly presentation by the students of Classes **IV A** and **IV B** was indeed entertaining and thought provoking. The theme of IV A was 'nature' which was effectively woven in the threads of a skit which highlighted the importance of trees in our environment as well as in our lives. A video on photosynthesis explained how trees play a vital role in purifying the air, thereby reinforcing the message 'Let's continue to take care of the environment'. The objective of the skit performed by the Shishyans of IV B was to make them realize their roles and responsibilities.

School Events

The students of **Classes III - V** participated in the storytelling event as per the guidelines of CBSE. The enthusiastic Shishyans composed their own story on the topics provided by the board and showcased their creative writing as well as oratory skills.

Audition for the Second Level

School Events

As part of their British Council project **Games Here, Games There, Games Everywhere**, the students of **Classes III and IV** played some interesting traditional games of the world.

School Events

The class presentations of **Sr. KG Green** and **Sr. KG Red** consisted of vibrant and energetic dances. The presentations of **Classes II A** and **II C** were a part of their British Council project **Culture Carnival**. Their presentation centred around Spain - the land of festivals. The children shared information about its capital, climate, food and culture. The girls performed flamenco, an expressive Spanish dance form. The students also talked about the famous artist Picasso, the island Ibiza, the oldest restaurant Sobrino de Botin and Espana the national football team of Spain. A lively dance performance on the song **Cup of Life** wrapped up the presentation effectively.

School Events

As part of their British Council Project **Culture Carnival**, the presentation of **Classes I C** and **I D** revolved around Russia. They talked about the longest railway line in the world - the Trans - Siberian railway, Lake Baikal - the largest fresh water lake in Russia, the popular St. Basil's Cathedral, the Russian doll Matryoshka, the Russian cuisine and their currency Rubal. The children danced to foot tapping Russian folksongs. A video on the famous churches of Russia left the audience spellbound. A group of young performers dressed up as the famous Russian tribe Chuga Chuga and performed their tribal dance effortlessly. The presentation ended with the Russian National Anthem.
