सरस्वति नमस्तुभ्यं वरदे कामरूपिणि ।

प्रार्थना

हे प्रभु, आनंददाता ज्ञान हमको दीजिए,
शीघ्र सारे दुर्गुणों को दूर हमसे कीजिए ।

लीजिए हमको शरण में, हम सदाचारी बनें,
शांति चाहक, धर्म रक्षक, वीर व्रतधारी बनें । हे प्रभु

प्रेम से हम गुरुजनों की नित्य ही सेवा करें,
दिव्य हो जीवन हमारा, तेरे यश गाया करें । हे प्रभु

भूलकर निंदा किसी की हम किसी से ना करें,
सत्य बोलें, झूठ त्यागें, स्नेह आपस में रखें । हे प्रभु

PRAYER

Make me a channel of your peace
Where there is hatred let me bring your love,
Where there is injury your pardon Lord,
And where there is doubt true faith in you.

O Master grant that I may never seek
So much to be consoled as to console,
To be understood as to understand
To be loved as to love with all my soul.

Make me a channel of your peace
It is in pardoning that we are pardoned
In giving to all men that we receive
And in dying that we're born to eternal life.

To Shishyans, With Love

Dear Shishyans,
Namaste!

Isn't it wonderful to be together, exploring the world and knowing each other?

The Shishukunj Attitude

Shishyans are optimistic and cheerful, with a win-win attitude. Aham Brahmasmi is the source of positive charge for them. They greet each other with a 'Namaste' which means, 'I respect the divinity in you.'

Appearance and Demeanour

Their gait is straight, uniform is clean and well maintained and the pitch is controlled. They appreciate silence, where it communicates more than words.

Smart and Courteous

Courteous behaviour is the hall-mark of Shishyans. Sitting, standing and walking smartly; wishing when appropriate; paying attention to what is being said, respecting other people's rights, making requests, acknowledging services, apologizing, helping others in need - are signs of cultured human beings. Shishyans never fall short on these counts.

Self-control and Accountability

Shishukunj envisions offering India, citizens who are in complete charge of themselves. Shishyans exhibit excellent self-control. They do not react, but respond.

Language

English has acquired an international status. Hence, it is good to master it and the easiest way to learn a language is to use it. Shishyans do that. It is below their dignity to use abusive language - be it in English or Hindi, be it at home or in school.

Regularity

Attendance is compulsory for celebration of National Festivals and Events. 90% attendance is compulsory to make a student eligible to appear for the examination.

Health

Shishyans respect their body and ensure that the body clock runs properly. They try their best to be regular in their habits, eat nutritious food in the required quantity and observe table manners. They converse with friends at lunch but do it very softly, and ensure that it does not delay them for the class. They sleep well but do not oversleep. Over indulgence is avoided. They inform the class teacher if they are sick or suffering from any disease and join the school when rid of infection.

Love and Respect

Shishyans love and respect everyone in the school family - their schoolmates, teachers and all others- who help them to run their lives smoothly. They respect the belongings of their schoolmates and the school property; and help maintain it and restore it to its place, if found out of place. They try to avoid borrowing and lending. Co-operation is good but not as an excuse for idleness.

Friends of Ecology : Reduce, Reuse and Recycle

Shishyans love and respect Mother Earth and are well aware of the need to conserve Natural Resources for the future of Life on the Planet. They reduce wastage of water, electricity and paper and reuse and recycle whenever possible. Shishyans add greenery to the world by gifting seeds and plants to their friends on their birthdays.

Academics

To a great extent, our efforts decide our performance. 'Now and not tomorrow' - is the key to success. Remember friends, curiosity and enthusiasm ignite the mind. Keenness to understand the concepts by listening, reading, observing and doing can give you a lot of joy and confidence. Paying attention, explaining to classmates, and using new methods of technology are some of the ways to learn well. After all, practice makes a man perfect! Doing assignments in time,

revising in different ways, reading books and watching relevant programmes is good. They always assess their learning to find out if they need any extra help and get it.

Co-curricular Activities (CCA)

Indeed, CCAs require you to go an extra mile but give you confidence and hone your skill(s) and intelligence. We have a variety of these. Discover your talent by talking to your teachers, parents and friends and participate with interest and preparation.

Games and Sports

These bring in a lot of dynamism, decisiveness, team spirit and agility of the mind along with the body. You will get a taste of all the sports and can choose the one that suits you. A vigorous game keeps you healthy and oxygenates the brain. Sportsmanship is to accept failure and strive for improvement. Shishyans know that they should play not just to be winners but to be achievers. Sports time is not to be wasted in roaming around or chatting.

Problem shooting

Shishyans don't quarrel, fight or abuse each other, because they are guided by reason and courtesy. They are good listeners and keen observers. They want to make a better world so they behave as 'thinking beings' do, to sort out problems. (I am responsible for all that happens!)

For Shishukunj to flourish, suggestions for improvement should keep coming from all of you.

Feel free to talk to me or email me at info@shishukunjindore.in

School Greeting : Namaste

'Namaste' is a very meaningful Indian greeting. It is much more than telling the time of the day. It is to remind us that we are more than the body (our physical presence). The body is blessed to be the abode of the aatma, which represents the power of the Almighty. Hence, when we greet each other with Namaste, we remind ourselves of the immense divine power within us, waiting to be discovered in order to make the best of our birth as a human being (self-realisation); and also reiterate our belief in the Equality and Oneness of Man.

It is the greeting used by members of the Shishukunj International Society all over the world. So let us greet the soul or the aatma residing in each one of us with a 'Namaste' and fill each other with an irresistible positive charge. (INVAGIC)

School Pledge : Aham Brahmasmi

I have the power of the Lord.

Hence, I am responsible for all that happens.

I understand that every action of each one of us influences the world, for the better or the worse.

As a Shishyan, I pledge myself to make the world a better place by being attentive, dutiful and humane in my thoughts and actions.

In case, a student violates the school rules or indulges in any form of indiscipline or disrespect for the school rules, he/she will be asked to stay back in school for three hours and some academic work will be assigned to him/her. Parents will have to arrange for their pick up after three hours. Note : Students of Class XII must attend school regularly, specially on the days specified for CBSE formalities. If they fail to do so, the school will not be responsible for getting the forms signed. Students will then have to go directly to the CBSE office to sign their respective forms to obtain their admit card.

Punctuality, Attendance, Leave Rules

- 1) A proper leave application written and signed by the parent seeking / informing about leave is a must. (application to be sent only on the format available on the school website and companion.)

- 5) The students must attend the school functions, celebrations, classes for co-curricular activities and other important classes and activities that are compulsory. Students absent from school for more than two days on Medical grounds must produce an application from their Parents or Guardians supported by a Medical Certificate from a registered Medical Practitioner on the day of rejoining. Non Compliance with the same will result in the student not being allowed to attend classes till such time the Medical Certificate is produced.
- 9) Students who are absent without prior sanction, for more than a week, are liable to have their names struck off the school rolls. Re-admission may be granted only on payment of a fresh admission fee.
- 10) If a student has an appointment with a doctor or any other social obligation during school hours, he/she must not be sent to school on that day as the school does not allow a half day leave to the students. Assignments

Home assignments are to be done regularly and systematically and submitted on time.

Expectations from Shishyans

Other Recommendations :

- 1) **Arranging school bag** : Students must arrange their school bag every night so as not to forget the companion, books, notebooks and stationery required for the day. No unwanted articles like irrelevant books, CDs, pen drives, mobiles, walkman, cameras, eatables, toffees, chewing gums, etc. are to be brought to school.
- 2) **Maintaining decorum** : Maintaining decorum and order in assembly, classrooms, laboratories, corridors, house and school functions, etc. is essential.

- 3) **Language** :

Abusive language is totally prohibited.

This is an English medium school. Hence, students must converse in English while in school.

Lunch :

Everybody should reach the dining hall within 5 minutes of the sounding of the lunch bell. (Any discussions or transactions with the teachers are to be done in the free time available after lunch.) Hands should be properly washed before and after lunch. Food and water must not be wasted.

Library :

Silence should be maintained in the library. Library books should be handled with care. If disfigured or damaged, students will have to replace or pay for the same.

- Bus :**
1. Each student will be dropped and picked up only from the point mentioned in the School record.
 2. Any request for change must be made in writing and may be permitted only if the residence is shifted permanently, subject to the availability of seats and within the existing bus routes only.
 3. Students must use the bus to and fro. No exemption will be granted in this regard.
 4. Students who wish to discontinue the use of school transport must notify the office (in writing) one month in advance.

Expectations from Shishyans

5. Students must board the bus on time.
6. Students must not throw litter in and out of the bus.
7. Students must maintain a high degree of discipline while travelling in the bus/vehicle. Any complaint in this respect will mean withdrawal of the facility without prior notice.
8. Bus student will not be allowed to go privately with/without their parents except in cases of a medical emergency or some bereavement in the family. However, on the basis of a consent letter given by a parent personally to the school, permission may be granted.

Birthday Celebrations :

Distribution of sweets, invitation cards, any other confectionery, gifts, etc. to classmates, teachers or anyone in the school is NOT PERMISSIBLE. However, children of all classes are welcome to gift a plant or lawn grass to the school. This is a thoughtful way of celebration and will encourage 'Learning to Give' and 'Conservation of Nature', thus making the world a better place to live !

Bullying

We believe that all students have the right to be educated in an environment where there is mutual respect and co-operation. We discourage bullying in any form.

Bullying is when somebody deliberately goes out of his or her way to threaten, frighten, abuse or hurt someone else. It is also taunting or name calling, as well as damaging a person's property, clothing or school work.

Any student who bullies another student by acting in any of these ways will be dealt with severely. All reported incidents will be thoroughly investigated.

If you think you are being bullied, TELL SOMEONE - your Principal, class teacher, subject teacher or the counsellor.

If you cannot do this ask your parents/guardians to contact the school. Reporting bullying is NOT tale-telling. If you do not report it, it may get worse or happen to someone else as well.

(The school seeks monitoring and full co-operation of parents in all the above areas.)

Every care is taken by the school for the safety of your ward. However, the school cannot be held responsible for any injury caused to any student in school. The school's responsibility is restricted to shifting the student to a hospital.

Guidelines for Parents

- 1) Check the haircut, uniform and punctuality of your ward in the morning. Wearing the school Identity Card is compulsory.
- 2) It is always advisable to e-mail/write to the school about the problems of your ward or for seeking guidance. Your mails will be replied to after discussion with the concerned teacher. In case, parents want to meet the teachers, they can seek an appointment by e-mail.
- 3) See that your ward carries books/exercise books according to the Time Table for that day. No extra books are allowed.
- 4) See that he/she is prepared for the examinations. Also see his/her report card, answer scripts of tests and examination and teacher's remarks in his class work/home work exercise books.
- 5) Encourage your ward to take a balanced interest in studies, co-curricular activities and sports.
- 6) Please note that students are not allowed to bring mobile phones, i-pods, pen drives, CDs/DVDs or any electronic gadgets to the school. In case, they bring these on any pretext, these would be confiscated and returned after 06 months from the date they have been confiscated.
- 7) The students who come in improper uniform/turnout will be sent back home. The parents will have to come and pick their ward from school.
- 8) Your ward should be instructed to be careful about his/her belongings. There should be a name tag on blazers and sweaters. They are also not allowed to wear jewellery in school. Any kind of make up or application of kajal, eye liner is not allowed.
- 9) Absence from school even for a day should be a matter of concern. Parents/Grandparents should impress upon their wards that they should not miss school unless it is unavoidable.
- 10) If your ward is absent from school he/she must make up by doing all the work missed by him/her.
- 11) After every examination, parents must check the answer sheets of their ward and sign them.
- 12) Regularity in home work and class work is very essential and parents are expected to ensure that students do not falter in this regard. Repeated failures in this account will lead to disciplinary action.
- 13) Defaulters will be detained in school till the work is completed. In this case, parents will have to pick up their ward from school.
- 14) It is mandatory for both the parents to attend the PTM of their ward(s).
