School Events

Various Professional Enhancement workshops were conducted for educators. The Educational Initiatives team conducted an enriching workshop for educators on Refining the Art of Making Good Questions.

Mrs Ira Sehgal conducted a workshop for the Department of English on 'Bringing English Alive in the Classroom' and Ms Bindu Sahdev for the Mathematics Department on 'Bringing experiential Learning to the classroom'.

Shishyans Atharv Rangole and Manas Pandey of the batch of Class XII 2022-23 conducted an interactive session for the students of Classes IX- XI to guide them through the process of securing admission in leading colleges and universities in India and abroad.

School Events

The freshly appointed Students' Council attended a 2 day Effect+ workshop conducted by Ms. Sarita Badhwar, consultant at AFS India.

This comprehensive workshop offered them a unique opportunity to reflect upon the issues affecting the world and learn about the significance of developing sustainable solutions for how they could contribute to the community in their own small ways to uphold the United Nations Sustainable Development Goals.

Ms. Sarita Badhwar also conducted a 2 day workshop for the teachers of the English and Social Science departments.

It was an engaging and meaningful session that helped educators to learn the skills to become better global citizens and create empathetic and responsible global leaders.

School Events

Mr. Anansh Prasad from Skillsphere Education Private Limited, Mumbai conducted MUN Bureau training for 95 Office holders of the three editions of the Shishukunj MUN 2023. The Secretariats of the three MUN Conferences and the Bureau were enlightened on the agenda research methodology and the preparation of the study guides for 28 committees.

It was a lot of fun, a lot of adventure as well as a lot of learning too for students of Classes VIII-XII who headed to Chail (near Simla) and Rishikesh for an adventure camp organized by Youreka Campouts Ltd.

School Events

An aerobics session was conducted for students of Classes VI and VII. All the students and the educators, under the direction of the very enthusiastic sports educators, grooved to the music while strengthening and stretching every muscle of the body.

Students of Class VIII E commenced the assembly with a beautiful story on the power of using failures as stepping stones to success. Positive news from the International, National, State and School followed. The Bal Vigyan Presentation was showcased through Power Point Presentation, a working model and also through a nukkad natak.

A special assembly for Classes VIII-X was conducted to mark the beginning of the new session. Students of Class X B presented the Thought of the Day and the News in a very innovative and interesting manner. Thereafter the co curricular activities planned for the new academic session 2023-24 were shown and explained to the students. A session was taken by Mr. Thomson Varghese on the need and importance of speaking in English.

School Events

Kaladarpan: The Art Exhibition put up by Shishyans of Classes IV – XII was inaugurated by Mr. Prakash Sonawane, Lecturer, Sir J.J. School of Arts and with Mrs. Shubha Vaidya as the guest of Honor. The exhibition received a very good response from the city.

Silence could be 'heard' in the portals of Shishukunj as all Shishyans of Classes VI – XII, along with the educators, dropped everything and READ a book of their choice for an hour!

Mr. Jitendra Singh, Superintendent of Police, with the State Cyber Crime Cell, Indore Zone conducted a very interesting and interactive session on how we need to be extremely cautious while using social platforms. A series of videos highlighted the gravity of the problem. He also gave real life examples of cases which his department has solved.

School Events

The Ministry of Culture and Development, Government of India organized a book fair in the school under the project: Reading India 2023. Over 1000 books were on display and sale.

A session on career planning was conducted for students of Class XI by Mrs. Shweta Khandelwal, certified counsellor and career coach.

Internships

As an extension of the school's efforts to provide maximum learning opportunities to our students Shishukunj introduced the Summer Internship Programme in May-June 2023. As part of this new initiative, Shishyans were placed in various organizations which matched their field of interest like medicine, computers and technology, art and design, architecture, manufacturing and trading, career counselling and consultation, etc. This internship experience was truly enriching for our students as they were able to step into the real world and gain valuable hands-on learning. The school is indeed indebted to the parents who took our Shishyans in their wing and gave them an insight into the nuances of the practical world.
