Hindi Handwriting and Listening Skills Event Sr. KG to Class V (25th April & 1st May 2024)

On 25th April and 1st May 2024, the students of Sr. KG to Class V embarked on a linguistic adventure exploring the richness of the Hindi language through captivating activities. Mirroring their previous English language sessions, students immersed themselves in experiences tailored to deepen their Hindi proficiency and cultural understanding. The day unfolded with an enthralling storytelling session in Hindi, igniting students' imaginations and nurturing their language skills. Following this immersive journey, they diligently tackled a comprehension worksheet, applying their understanding of the narrative to reinforce language acquisition. Transitioning seamlessly to the second activity, students of Classes I to V embarked on a quest for exquisite Hindi handwriting. With precision and finesse, they delicately copied a text, celebrating the artistry of written expression in Hindi. These activities not only expanded their linguistic horizons but also fostered a deep appreciation for Hindi language and culture. Through engaging experiences like these, students continue to journey towards linguistic fluency and cultural immersion.

Event - Drop Everything And Read (D.E.A.R) Classes III to V (conducted on 2nd May 2024)

On 2nd May 2024, in a concerted effort to promote a culture of reading, Classes III to V engaged in the activity **DEAR (Drop Everything and Read)**. This initiative saw students enthusiastically bringing their personally selected story books from home to participate in a dedicated session of silent reading with their educators. The objective behind this endeavour was to instill a deep-seated appreciation for literature while fostering independent reading habits among students. With the tranquil rustle of pages turning, it was evident that this activity served as a reminder of the transformative power inherent in the written word. Through moments of quiet reflection and immersion in the realms of imagination, students were given the opportunity to embark on literary journeys that both captivated and enriched their minds. This initiative stands as a testament to our ongoing commitment to nurturing a lifelong love for reading within students.

360 Degree Learning Curve Classes III to V (22nd to 27th May 2024)

Shishukunj believes in the holistic development of children. Numerous activities are planned throughout the year to achieve this goal. The first edition of the 360 degree programme for the academic session 2024-25 was conducted in the last week of April. The theme was **India's Elections**. Voting is not just a right, it is every citizen's duty as well. This fact was discussed with the Shishyans so that they not only become responsible citizens of the future but also motivate their adult family members to exercise their franchise. Informative videos, a comprehensive power point presentation and an attractive and engaging display of the election process was put up by the educators. Class V Shishyans were given hands-on experience of the voting process as well. They even took a pledge to motivate people around them to cast their vote.

Class Activities - April 2024

Spot My Place Activity - Class III

Mathematics can be fun! On 16th April, the Class III Shishyans discovered this through an Experiential Learning Activity 'Spot My Place'.

The Shishyans had to spot and identify the placement of numbers that were given to them on the Number Line. Accuracy and speed were the key skills involved in the activity. The Shishyans enjoyed the activity immensely which reinforced the concept of number sequencing.

Letter Scramble Activity - Class I

Armed with a mix of the letters of the alphabet, Grade I students on 25th April worked together in groups to form words - as many as they could! It was a fun and collaborative way for kids to expand their English vocabulary while enjoying some friendly competition.

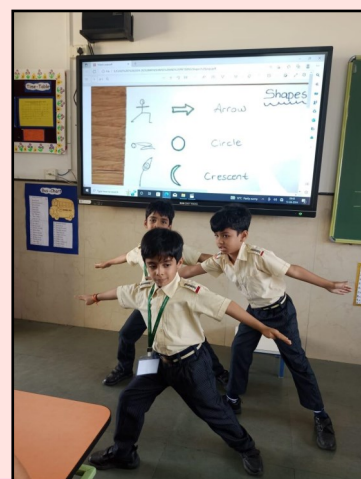

Jewellery Making With Shapes (Class II)

Jewellery Making Activity was conducted in Class II on 22nd April to reinforce the concepts of shapes and patterns in Maths. Children enjoyed creating jewellery pieces using ribbon cut outs of different shapes. Through this activity, they learnt that we see patterns everywhere around us.

Shapes with Yoga (Class II)

Yoga not only promotes physical activity but also enhances the students' understanding of shapes in a fun and interactive way. The Shapes Yoga Activity was conducted in Class II from 25th to 27th April to combine movement and learning by making various shapes through yoga poses.
