

Ojas Versatile Awards **Academic Session 2018-19**

Shishukunj is happy to introduce OJAS Versatile Awards for the academic session 2018-19.

The purpose of this award is to acknowledge and applaud the immense talent of Shishyans, not only in academics but in other fields as well.

Students who excel in studies are awarded during Ojas Academics.

Students who excel in sports are awarded during Ojas Sports.

What about students who do well (though not necessarily excel) in academics as well as in sports or co curricular activities.

OJAS Versatile Award is the answer.

True to its meaning OJAS Versatile (the ability to do many different things at the same time and do them well) Award is for students who, along with academics, are doing well in co curricular activities or sports, students who are able to balance their academics with their other interests or passions.

Being versatile is a 21st century skill which the school would like to instil in all Shishyans. In today's age, it is not enough to be able to do one thing *very well*, but it is important to be able to do a number of things *well*. In other words, the world today needs versatile personalities who have varied interests and skills, who do well in academics, enjoy a variety of sports, are interested in music, appreciate dance, enjoy dabbling with paints and so on.
