

**Ojas Versatile Awards**  
**Academic Session 2019-20**

**We are happy to introduce the Ojas Versatile Awards for the academic session 2019-20.**

True to its meaning OJAS Versatile (the ability to do many different things at the same time and do them well) Award is for students who are doing well in co curricular activities or sports and who are able to balance their interests or passions with academics.

Being versatile is a 21st century skill which the school would like to instil in all Shishyans. In today's age, it is not enough to be able to do one thing *very well*, but it is important to be able to do a number of things *well*. In other words, the world today needs versatile personalities who have varied interests and skills, who do well in academics, enjoy a variety of sports, are interested in music, appreciate dance, enjoy dabbling with paints and so on.

The purpose of this award is to acknowledge, appreciate and applaud students who have participated in various sports, cultural, literary or art activities during the academic session 2019-20.

Students are required to nominate themselves for this award giving complete details of the activities they have participated in. The activities include sports, literary, cultural or art competitions, MUN's, etc. at the International, National, State, District, Division, inter school, inter class or inter house level.
