

Invitation to participate in Annual Science Festival of Vasant Valley School, New Delhi

We are happy to inform that we have received an invitation from Vasant Valley School, New Delhi to participate in their 9th Annual Science Festival 'SYNAPSE' scheduled to be held virtually on Saturday July 25 2020.

Participation is open to students from Classes VI - X and they will be exposed to various challenges designed for their age group. The events aim to assess the knowledge of students in Science and will include the following:

Class VI : Tambola

Class VII JAM

Class VIII : Video Challenge

Class IX : Panel Discussion

Class X : Quiz

Besides, students will also get an opportunity to attend, via zoom, a talk by Dr. Anirbhan Mahapatra, Assistant Director and Publisher at the American Chemical Society (ACS).

The school will be represented by only one student from each class. If you would like your ward to participate in the same, kindly send us an email by 13th July 2020 along with a passport size photograph of the student (in school uniform). Feedback will be taken from the teachers to select the student who will represent the school from each class.

We look forward to hearing from you.

Kind regards
