- Break between the two papers: **15 minutes.**

# Pattern of Question Paper:

## Type I Question Paper : Objective Type

- **Duration: 40 minutes.**
- **Maximum Marks: 30**

# Pattern of Question Paper:

## Type II Question Paper: Subjective Type

- **Duration: 2 Hours and 20 minutes.**
- **Maximum Marks: 50**

# Mode of Answering:

## OBJECTIVE TYPE PAPER

- Students need to answer the questions on the ‘**Google Form**’ itself by just **clicking the correct answer**.
- Students **need to complete one section of the objective type question paper before proceeding to the next section**.

# Mode of Answering:

## OBJECTIVE TYPE PAPER

- **No separate answer script to be used for answering objective type questions.** However, students may use **A4 size one side ruled sheets** for ‘**Rough Calculations**’. Each sheet must be named as ‘**Working Sheet – O Type**’ and numbered. Students **need to upload the ‘Working Sheet – O Type’** if they have used the same.

# Mode of Answering:

## SUBJECTIVE TYPE PAPER

- The question paper will be on Google Form. **Students need to answer the questions in a separate A4 size one side ruled sheet, in portrait mode (keeping the A4 size sheet vertically).** Answers to be written **only on the ruled side of the sheet.**

# Mode of Answering:

## SUBJECTIVE TYPE PAPER

- Students **need to write their Name, Class and Section, Scholar Number & Page Number on the top right-hand corner of each page of the answer script** (A4 size one side ruled sheet).
- All **'Rough Calculation'** work needs to be done on a separate A4 size one side ruled sheet. Each sheet must be named as **'Working Sheet – S Type'** and numbered.

# Mode of Answering:

## SUBJECTIVE TYPE PAPER

- Students of **Classes VII to X need to answer Physics, Chemistry and Biology on separate sheets.** Section name (Physics, Chemistry or Biology) to be written **at the top of each page of the answer script.**

# Uploading the Answer Script:

- **Additional time of 20 minutes** will be given for uploading the answer scripts.
- Students need to **keep the camera 'ON'** till the time answer script has been uploaded and submitted.

# Uploading the Answer Script:

- Students **need to scan and upload the following as one single PDF file:**
  - ‘Working Sheet – O Type’** of the Objective Type Question Paper.
  - All pages of the ‘Answer Script’** of the Subjective Type Question Paper.
  - ‘Working Sheet – S Type’** of the Subjective Type Question Paper

# Uploading the Answer Script:

- The scanned file of the answer script **‘MUST’** be in **PDF** format **‘ONLY’**.
- Students will **not be able to upload any ‘Image’ / ‘Photo’ (JPEG / PNG format) file of the answer script.**
- Steps to convert scanned image into PDF will be shared with you.

# Uploading the Answer Script:

- The PDF file of the scanned answer script to be uploaded on the Google Form.
- Recommended application for scanning is **Microsoft Lens**. It is compatible with all versions of Android / IOS devices and easily converts scanned images into PDF. You can also use any other mobile application of your choice for scanning the pages of the answer script.
