Subject: Information Regarding Registration for External Examinations Session 2020- 21.

Dear Parents

Namaste

This is in reference to our earlier communication regarding the external examinations being offered by the school for the academic session 2020- 21. Kindly take a careful note of the following important points regarding the same:

1. **School will be completing the registration formalities** for all those students for whom the parents have given their consent through the Google Form shared earlier. Parents need not register separately for any of the external examinations.
2. Those parents who have missed out on filling the Google Form, are requested to **share the details over email on info@shishukunjindore.in**, latest by **Tuesday, October 27, 2020**. If you have already filled the Google Form for your ward, kindly do not send any further email.
3. We will not be able to accommodate any request for registration **after October 27, 2020**.

We look forward to your valuable support and cooperation.

Kind regards

Dr. Lalita Singh

Principal
