**Subject: Self Learning Program for Our Shishyans of Classes VI to X**

Dear Parent

Namaste

Hope you and your family are safe and healthy! In this era of '**new normal**', digital technology is revolutionising the way we think & live and is acting as a catalyst of change for the digital future. The methodologies of 'Teaching and Learning' have evolved in this period and they need to be learner centric. At Shishukunj, we have always believed in '**not just doing enough but doing extra**'. Going by this philosophy, our constant endeavour has been to identify resources that will help reinforce the learning for our Shishyans.

It is with immense pleasure that we introduce '**LEARNFLIX – Personalised Program for Anytime and Anywhere Learning**' for our Shishyans of **Classes VI to X**, for the subjects, Mathematics and Science, at '**No Extra Cost**'.

The program is developed around the school curriculum and will enable Shishyans to reinforce what is taught by the school educators online. It will ensure that all concepts are well revised and practiced. Learnflix can be easily accessed across all devices (Mobile, Tablet and Laptop/Desktop).

Another salient feature of this program includes the feedback mechanism which is extremely focused and guiding at every step of the learning process. The feedback provides individual student's **Progress, Accuracy, Time Spent, Concept Wise Coverage** and most importantly points out the **Key Focus Areas** with remedials to master the concept. These can be tracked by every parent, student and by us at the backend.

We will be sharing individual **student login details** (username and password) for the program **by tomorrow evening i.e. October 06, 2020**, on **your wards school email id (i.e. shishukunj.in email id)**. Kindly ensure that your ward logs in to the program.

Kindly note, **this program is compulsory for every student**. Every student needs to **start using the program from Wednesday, October 07, 2020**. We will be **closely monitoring the usage of this program for each student**.

We are sure that this program will facilitate revision of learning for our Shishyans and will make for an enriching experience.

Kind regards,

**The Shishukunj Management Team**

**TS**
