In order to revise, reinforce and assess the topics / concepts taught so far, we will be conducting half yearly reviews in the month of December. Please take a careful note of the important points regarding the reviews:

1. The reviews will be conducted from Thursday, 10th December to Friday, 18th December 2020.
2. They will be conducted during the time slot of their regular classes.
3. They will be conducted through Google Forms. Students will be required to answer multiple choice questions and submit the form once all responses have been marked by them.
4. The question papers of Class III will have 25 questions, the question papers of Class IV will have 30 questions while those of Class V will have 40 questions.
5. The educators will start revising the topics after the Diwali break. Kindly ensure that your ward is regular and attentive.
6. Also note that mock tests will be conducted in the first week of December to give practice to the students.
7. The half yearly reviews will be conducted in Exam Rooms and not in the students' regular classrooms. Access to the Exam Room will be given to your ward two days before the commencement of the reviews.
