Subject: Compensatory Classes for Shishyans of Class VIII

Dear Parents

Namaste

Kindly be informed that in lieu of the several classes which will be missed during the Diwali vacations, we are planning to conduct compensatory classes for the students of Class VIII.

We trust you will appreciate that even though we are unable to call the students to school, we would like their learning to continue at a good pace. The educators are constantly brainstorming on the syllabus and teaching only conceptual topics during this session. Our intention is not just to **'complete the syllabus'** but to transact it in a manner which is **most beneficial to the students**. For the same, extra teaching hours are required which will be taken care of during the compensatory classes.

The classes will commence from tomorrow, i.e. **Wednesday, November 04, 2020**. The details are as below:

Timings: 03:00 pm to 03:45 pm

Classroom: Regular Classroom for Online Classes
