

Circular for Parents of Classes X and XII Session 2020-21

SIS/OPS - DEC 007/2020

December 27, 2020

Subject: Regarding reopening of School

Dear Parents

Namaste

This is further to our circular informing you about the reopening of the school from January 04, 2021.

We sincerely thank the parents who have sent their consent for sending their wards to school.

We would like to inform the parents that the decision to reopen the school has been taken after a lot of deliberations. The entire Shishukunj team - right from the management, the educators, the support staff and helpers, is working towards the safety of our Shishyans. We do understand what a mammoth responsibility it is, but we are fully equipped to shoulder it - keeping the best interests of our Shishyans in mind.

The school will reopen in a phased manner beginning with Class XII for only twice a week, the frequency will be increased gradually. This will be followed by reopening of Class X and subsequently Classes IX and XI .

We are happy to share with you details of the arrangements that have been made in school to welcome our students - these are in line with the recommendations of the MHRD. Kindly go through them carefully, we are confident you will find them to your satisfaction.

May we request you to kindly motivate your ward to attend school from January 04, 2021. It is time we move forward - slowly and steadily but also very cautiously. The number of parents who have sent in their consent is very encouraging, we sincerely

hope other parents will do so at the earliest so that gradually more and more students can benefit from offline teaching.

Trust you will appreciate that we need to know the number of students who will be attending school, so that the transport and other logistics can be planned well in advance keeping the social distancing norms in mind.

Thanking you for your kind cooperation and looking forward to a happier, healthier and more 'normal' 2021!

Kind regards

Dr. Lalita Singh
Principal
