Subject: National Science Day Program by IIT Indore

Dear Parents
Namaste

We are happy to inform you that the Indian Institute of Technology Indore is celebrating the National Science Day on Feb. 28, 2021 by conducting a VIRTUAL half day program for school children of Classes VI - IX .

The primary focus of this program is to inculcate interest in science in students. Therefore, a wide range of events covering motivational lectures, interesting experiments of chemistry, concepts of physics, mathematics, and biology, and about the universe are being organized on this day.

Schedule and details of the National Science Day 2021 program are as follows:

- **Date** : Feb. 28, 2021
- **Time** : 10:00 am – 02:00 pm
- **Venue** : The program will be telecast live over YOUTUBE
(Link: <https://youtu.be/3yT1tlwJMwE>).

The program will include the following

- Talks and demonstrations on Optics by Professor Anurag Sharma, IIT Delhi
- Chemical illustrations (showcasing interesting chemical experiments)
- Physics in daily life
- Journey through the cosmos
- Biology for kids
- Mathematical magic and more

The brochure of this event is attached herewith for your ready reference.

In case of any further queries, you may send an **email to: "scienceday@iiti.ac.in"** or **call: 8420213582 (Dipak)**.

We feel this is a wonderful opportunity for Shishyans to delve deeper into the wonderful world of Science. Kindly motivate your ward to participate in the above program.

Kind regards

Dr. Lalita Singh
Principal
