

Circular for Parents of Classes IX to XII Session 2020 -21

SIS/OPS - FEB 07/2021

February 12, 2021

Subject: Intimation Regarding Readiness of School Uniform.

Dear Parents

Namaste

With the physical schooling for Classes IX to XII being resumed for over a month now, we are sure that our Shishyans have got back to the usual routine of schooling schedule. The enthusiasm and optimism shown by them makes us feel positive for the way forward.

It was a long thought decision to allow our Shishyans of Classes IX to XII to come in smart casual dresses on the days of physical school. However, in the next few days, we will make the school uniform compulsory on all physical school days. This is being done, as it would be compulsory for them to wear the school uniform for the upcoming Board Examination / Final Assessment. The exact date will be communicated to you well on time.

In this context, we request you to kindly ensure that your ward's **school uniform is ready, properly washed using the whitening agent, nicely ironed and is maintained properly.**

If your ward requires a new uniform, the same is available with the vendors and may kindly be purchased.

We look forward to your valuable support and cooperation.

Kind regards

Dr. Lalita Singh

Principal
