

Circular for Parents of Class XI Session 2020-21

SIS/OPS - FEB 005/2021

February 09, 2021

Subject: Schedule Class XI

Dear Parent

Namaste

However hard it may be to believe, the academic session 2020-21 is drawing to a close. The past year has indeed been challenging, but we have been able to sail through and emerge victorious due to the cooperation extended to us by all our parents, students and educators - for which we are deeply indebted.

It is our endeavour to give our Shishyans the maximum help as they prepare for the Examinations. Multiple assessments have been planned so that they are well prepared to write the examinations in offline mode. All students of Class XI are advised to take the practice examination as it will go a long way in helping them identify the gaps in their learning.

A detailed schedule for the following months has been prepared very carefully keeping the best interest of Shishyans in mind. Kindly go through the same and share it with your ward.

The past is behind us, let us look forward with lots of positivity and hope.

Kind regards

Dr. Lalita Singh
Principal
