

Circular for Parents of Classes VI - XII Session 2020-21

SIS/COMP - FEB 01/2021

February 6, 2021

Subject: Tata Building India School Essay Competition, 2020-21

Dear Parents

Namaste

The Tata Building India School Essay Competition is one of the key initiatives undertaken by the Tata group to motivate the youth of India and instill the value of nation building. Now in its 15th year, this is India's largest school essay competition covering 300+ cities across 13 languages nationwide.

This year, owing to the exceptional circumstances posed by the Covid-19 pandemic, the Tata Building India essay writing competition will be conducted digitally, whereby the students can participate in the competition from the safety of their homes. All that is required is an internet connection and an input device (PC, Laptop, Tablet or Mobile).

The essay competition is a two-phase activity across all the participating schools in the country for students of Classes VI - XII. The first phase consists of exposing students to inspirational Tata-linked films to stimulate young minds. Following this, students are asked to write an essay on a given topic of national significance. The theme for this year's essay competition will be 'Clean & Healthy India' To ensure a level playing field, students are divided into two participating categories across all languages (Juniors: Classes VI - VIII and Seniors: Classes IX - XII).

Shishyans have been participating in this competition for the past several years and one of our students was also awarded at the National level. **Students of Classes VI - XII who are interested in participating in this competition are requested to send an email to info@shishukunjindore.in latest by Tuesday 09 February 2021.** Kindly mention The Tata Building India School Essay Writing Competition as the subject of the mail. The school will thereafter create a special login id for each student after which he / she will be able to upload the essay.

More information about the programme and the digital process being followed this year is available at <https://iur.ls/TataBuildingIndia>

Kindly motivate your ward to participate in this prestigious competition.

Kind regards

Dr. Lalita Singh
Principal
