Subject: Third Language Option

Dear Parent
Namaste

Welcome to Shishukunj. We are delighted to welcome you as a new member of our family.

As your ward gets ready to join Class VI we would like to know his/her choice of the third language. As per the CBSE rule, it is compulsory for a student to study a third language in Classes VI to VIII, besides English and Hindi. Shishukunj offers the following options for the third language:

- Sanskrit
- French

Please fill in the google form through the link given below **latest by May 22, 2021** indicating the choice of third language. This will enable us to prepare our schedules.

Kindly discuss the option with your ward keeping in mind his/her interest and skills.

Kind regards
Dr. Lalita Singh
