

Circular for Parents of Class XI Session 2021-22

SIS/ACAD- MAY 002/2021
May 5, 2021

Subject: Option for Mathematics (041) in Class XI

Dear Parent
Namaste

We refer to the CBSE Circular dated August 06, 2020 advising schools that in order to continue Mathematics (041) as a subject in Classes XI and XII, a student needs to pass Mathematics Standard in Class X.

Kindly note, as per the latest directive of CBSE, vide notification dated May 01, 2021, **a student who has studied Mathematics (Basic) in Class X can opt for either Applied Mathematics (241) or Mathematics (041) in Class XI**, subject to his aptitude and ability in the same.

In case you would like your ward to opt for Mathematics (041) in Class XI, even though he/she had opted for basic Mathematics in Class X, kindly send us an email on info@shishukujindore.in latest by May 10, 2021.

Kind regards

Dr. Lalita Singh
Principal
