Subject: Student Support during Self Study Period

Dear Parent
Namaste

We hope you and all members of your family are safe and healthy.

As per our circular dated May 01, 2021 revision and doubt clearing sessions are being conducted for all students of Class XII from May 03 to May 15, 2021. We would now like our students to devote their time for self-study and prepare themselves for the coming examination.

This is to inform you, that in course of the preparation of the examination, in case your ward needs extra help or needs to clarify any doubts, he/she is most welcome to reach out to us by sending an email to Ms. Anubhuti at: anubhuti.g@shishukunj.in. We will arrange a special session with the concerned educator for the same.

The school would like to reiterate its support to all students for taking the Board Examination with confidence and ease.

Kind regards

Dr. Lalita Singh
Principal
