### **Subject: International Economics Olympiad**

Dear Parent  
Namaste

We are happy to invite students of Classes XI and XII to participate in the International Economics Olympiad organized by the Meccademia Education Institute, a Gateway in India for gifted and talented Indian students who wish to take part in internationally reputed competitions.

This Olympiad, organized annually for high school students, is intended to unite, discover and give recognition to students interested in economics, business, and finance by the way of creative problem-solving. It assesses the skills of young people in logical thinking and creative application of knowledge in solving problems relating to economics, finance and business practices around the world.

Students interested in participating in this Olympiad are requested to fill in the form by following the link given below :

<https://forms.gle/qMreudxA3dSJRFdV8>

More information about this Olympiad is available at :
