Subject: The Shishukunj Gazette

Dear Parent
Namaste

As you may be aware, The Shishukunj Gazette is a student driven publication which was launched during the session 2018 - 19. It is a forum for students to voice their opinions and ideas addressing various pressing issues, be it social or political and thereby make a difference. The magazine features various artworks and also commends students for their achievements throughout the year.

As young Shishyans embark on this academic session, we are all set to build another passionate team for the school magazine and invite Shishyans of Classes IX-XII to showcase their creative potential and unleash their artistic spirit through The Shishukunj Gazette 2021.

Every edition of the magazine is posted on the school website, giving readers an opportunity to immerse themselves in the creative realm of the gazette and update themselves about the voices and opinions of their fellow Shishyans .

The posts available for this session are:

- Designer (for Classes X-XII)
- Editor (for Classes X-XII)
