Subject: Class X Choice of Mathematics 2021-22

Dear Parents
Namaste

This is to inform you that as per the guidelines given in CBSE Circular F.1002/CBSE/Dir (Acad) Mathematics/2019, two levels of examination will be held in the subject of Mathematics in the Board Examination for Class X in the session 2021-22.

- The nomenclature for the examination will be :
 - a. Mathematics- Standard**
 - b. Mathematics- Basics**
- Although the syllabus, classroom teaching and internal assessment for both examinations will remain the same, the difficulty level for the Pre Board and Board examination will be different.
- **Mathematics Basic** will be the easier level of examination.
- **Mathematics Standard** is meant for students who wish to pursue Core Mathematics in their Plus 2 level.
- Students who opt for Basic Mathematics in Class X will only be eligible to opt for Applied Mathematics in Classes XI and XII .
- The school will offer these two levels only during the Pre Board Examination. All other school examinations will be of the same level.
- However, according to the CBSE Circular, in case a student chooses **Mathematics Basic** Examination in Board Examination of 2021-22 and desires to pursue Core Mathematics at Senior Secondary level, she / he shall be given an option to appear in **Mathematics Standard** at the time of compartment examination.

We request you to guide your ward to choose the level of examination, keeping in mind her/his aptitude for Mathematics and the subjects she / he wishes to select in Class XI.

Kindly state your ward's preference between Basic and Standard Mathematics by filling in the Google form uploaded in the respective classrooms.

Last date of submission: **August 28, 2021**

Kind regards
Dr. Lalita Singh
