Subject: Timely Submission of Google Forms of First Major Examination

Dear Parent
Namaste

It has been brought to our attention that a few students are not submitting the Google Forms of the First Major Examination on time.

As you are aware, the duration of the examination is from 8.00 am - 9.30 am and students are expected to submit the forms without any delay at 9.30 am.

Please be informed, that for the examination of the remaining subjects, **we will not evaluate the forms submitted after 9.35 am.**

Kindly inform your ward of the same and ensure strict compliance.

Thanking you for your kind cooperation.

Kind regards

Dr. Lalita Singh
Principal
