Dear Parent
Namaste

This is further to our circular dated August 23, 2021 requesting you to fill in the google form for the CBSE registration of your ward.

A recent photograph was required to be uploaded on the form. However, it has been brought to our attention that several photographs that have been uploaded are not recent and are, in fact, two or three years old.

Kindly note, the photograph uploaded on the form should be:

- In school uniform
- Not more than 06 months old
- For girls, hair need to be neatly made, for boys a hair cut is essential

In case the photograph that you have uploaded on the form does not meet the above specifications, kindly email a new photograph on info@shishukunjindore.in latest by **September 04, 2021**.

The school will not process the CBSE Registration if the photograph is not as per the above specifications. The school will also not be responsible for a delay or non submission of the registration form.

Parents who have not yet submitted the form are requested to do so on a priority basis.

Kind regards
Dr. Lalita Singh
