

Circular for Parents of Classes X & XII

Session 2021-22

SIS/EXAM SEP 01/2021
September 27, 2021

Subject: Pre-Board Term 1 Examination for Classes X and XII in Offline Mode

Dear Parent
Namaste

In accordance with the Board Term-1 Examination, which is scheduled to be conducted by CBSE in mid November 2021 (final date will be announced soon by CBSE) **we have planned the Pre-Board Term 1 Examination for the students from 18 to 30 October, 2021.**

Seeing the present scenario, it is almost certain that the Board Term 1 Examination **will be conducted offline**. As already advised, the duration of the examination will be 90 minutes and the Question Paper coming from CBSE will be comprised of MCQs only. Observers will be appointed in every school by the CBSE and the examination will be conducted strictly as per the norms of the Board.

IMPORTANT

For knowing the ‘real status of learning’ in students and for finding the ‘gaps in learning’, we would like all students of Classes X and XII to give the Pre-Boards for Term 1 Examination, Offline in school.

You are well aware that in many cases the seriousness and honest approach by the students is missing when the examination is taken in online mode from home. As a result, the real status of learning doesn't come to the surface and all stakeholders i.e. Parents, Teachers and Students remain misinformed and in the dark. The result of the Online Examination is generally misleading and deceptive. Contrary to this, if

the students take the exam offline, the true picture will emerge and all the three stakeholders will get to know the real status of learning and the learning gaps as well. We have already made a plan to address the learning gaps which will come to the fore only through the offline examination in school. **This awareness will eventually lead to better Board results and better grades.**

We do understand that a few parents are apprehensive about sending their wards to school. We assume that such parents must not be allowing their wards to go out for any reason and the children must be at home all the time. Also, despite the wishes of their parents, some students want to avoid Offline classes and examinations for the reasons known to all of us.

In most cases, school is the only place where some students are not willing to come. Throwing caution to the winds, **students are flocking Eateries, Restaurants, Parks, Roads, Friends' places and other Entertainment centers, where no or very little attention is paid to COVID protocols.**

It will not be irrelevant to mention here that in the present scenario, because of the high standard of hygiene and regular sanitization carried out as a matter of routine in school, **Shishukunj campus is one of the safest places for the students to be.** We are extremely careful that all covid norms are followed at all times under strict supervision.

We trust you will appreciate that, in their own interest, we would like ALL students of Classes X and XII to give the Pre-Board Term 1 Examination in school in offline mode. This will ensure that they are well prepared to face the Board Conducted Term I Examination and come out with flying colours.

We seek the cooperation of all parents in this regard.

Forever in the interest of our Shishyans, we remain, yours sincerely

Dr. Lalita Singh
Principal
