Kindly note the following :

- The number of days that we run the school offline will depend upon the number of consents given by the parents and the directives of the State Government from time to time, ranging from 03 days to 06 days per week.
- Online classes will continue **only** for those students who do not opt for offline classes.
- The timing for offline and online classes will be : 7.50 am - 1.00 pm.
- There will be no change in the time table.
- Lunch will not be provided in school
- The examination scheduled for September 13, 2021 will be conducted online for ALL students
- The examination from September 16, 2021 onwards will be conducted offline for students who opt for offline classes.
- Students who opt for online classes may come to school on examination days by their own conveyance to give the examination offline. Prior intimation should be given to the school about the same.
- At this stage, students are not required to come to school in school uniform.
