Subject: Half Yearly Examination to be conducted in Offline Mode

Dear Parents
Namaste

This has reference to the Half Yearly Examination which is scheduled to be conducted in October 2021. The final date sheet of the same has been uploaded on the school website.

Kindly note, we would like all students of Classes VI-VIII to appear for this examination in school in offline mode. This will enable us to understand the 'real status of learning' in students and identify the 'gaps' therein.

You are well aware that in many cases, specially in the senior classes, the seriousness and honest approach by the students is missing when the examination is taken in online mode from home. As a result, the real status of learning doesn't come to the surface and all stakeholders i.e. Parents, Teachers and Students remain misinformed and in the dark. The result of the Online Examination is very often misleading and deceptive. Contrary to this, if the students take the exam offline, the true picture will emerge and all the three stakeholders will get to know the real status of learning and the learning gaps which can then be addressed in good time.

We do understand that a few parents are apprehensive about sending their wards to school. We assume that such parents must not be allowing their wards to go out for any reason and the children must be at home all the time.

In most cases, school is the only place where some students are not willing to come. Throwing caution to the winds, **students are flocking Eateries, Restaurants, Malls, Sports Academies, Friends' places, Weddings and other entertainment centers, where little or no attention is paid to COVID protocols.**

It will not be irrelevant to mention here that in the present scenario, because of the high standard of hygiene and regular sanitization carried out as a matter of routine in school, **Shishukunj campus is one of the safest places for the students to be.** We are extremely careful that all covid norms are followed at all times under strict supervision.

We trust you will appreciate that, in their own interest, we would like ALL students of Classes VI - VIII to give the Half Yearly Examination in school in offline mode. The school will make the bus facility available to all students on the days of the examination.

We seek the cooperation of our esteemed parents in this regard.

Forever in the interest of our Shishyans, we remain, yours sincerely.
