

Circular for Parents of Classes IX and X Jhalaria Campus || Session 2021-2022

SIS/OPS - NOV 08/2021
November 30, 2021

Subject: Psychometric Test and Career Guidance

Dear Parent
Namaste

As a school, we have always understood our responsibility and the need to facilitate students in taking decisions related to their careers. We also understand that students need to be guided regarding their career planning at the appropriate age. Students of Classes IX and X are at such a juncture where they need guidance to make decisions which will pave their way for a successful and enterprising career.

We take pleasure in informing you that the school in association with 'Options Guidance and Counseling', has arranged for the '**Career Counseling Process**': Complete mapping of students in Classes IX and X for taking Career and allied decisions, at the school campus as per the schedule given below :

Class IX :Tuesday , December 07, 2021
Class X :Tuesday , December 14, 2021

'Options Guidance and Counseling' is a venture led by Dr. Sameer Golwelkar and Dr. Soniya Golwelkar since 1998.

Dr Sameer Golwelkar, is a qualified Mechanical Engineer, an MBA in Finance, Master in Philosophy, a relationship counselor and a psychotherapist for REBT. He is a licensed practitioner for Psychometric tools from Consulting Psychologists Press of the USA. He is an associate member of the IACP. He has also been awarded a Doctorate in Philosophy.

Dr Soniya Golwelkar is a qualified Electronics Engineer and a Master in Child and Clinical Psychology. She is a trained and certified Cognitive Behavioural Therapist, a qualified psychometric specialist and an international affiliate of the American Psychological Association. She has also been awarded a Doctorate in Psychology.

The Career Counseling Process involves the following steps:

Step 1 – Psychometric Testing of students. This would include testing Intelligence, Aptitudes, Motor movements, Interest patterns, Adjustments and personality profile. It takes roughly three hours for the complete testing process.

Step 2 – Individual counseling session with each student and the parents to address all issues related to career mapping, development and education as a whole. The parents will be allotted a time slot for a personal counselling session with the counselors. This would be planned following the testing session. Parents would be handed over a complete report along with the career map and suggestions related to potential pitfalls and scopes for development.

This is a very scientific and exhaustive process which the school opts for students of Classes IX and X and is conducted personally by Dr. Sameer Golwelkar and Dr. Soniya Golwelkar who are qualified, certified, trained and practicing Counselors .

The above facility is available for Shishyans at a subsidized charge of Rs 9000/- Nine thousand only (as against Rs. 15000/- when conducted at the Options Guidance and Counseling Center).

Parents interested in enrolling their ward for this counseling programme are requested to make the payment by any one of the means mentioned below and thereafter fill in the google form latest by **Saturday Dec 04, 2021.**

Mode of Payment: Amount Payable: Rs. 9000/- Only
