Subject: Reactivation of Consent Forms

Dear Parent
Namaste

As you are aware, we had requested parents to send in the Consent Form for attending offline school latest by October 30, 2021. However, as a special case, we continued to accept the forms till November 07, 2021 and thereafter made arrangements in the classes and buses accordingly.

Since then, we have received several mails / requests from parents stating that they did not / could not fill in the consent form on time but are keen to send their wards to school. Acting in the best interest of our students, we have decided to once again make the Consent Form available on google classrooms.

Kindly note the Consent Form will be open only till November 12, 2021 and will be closed thereafter for an indefinite period. No consent from parents will be accepted beyond November 12, 2021. Students for whom consent is not received will be required to attend online classes till further notice.

Further, please note, the consent has to be given via the google form ONLY. Please DO NOT send an email to info@shishukunjindore.in or any other school email giving consent for your ward to attend offline school. Consents sent via email will not be taken into consideration.

Parents who wish to send their wards to school for offline classes are requested to fill in the Consent Form within the stipulated date and pay the bus fee if the bus facility is required. Kindly note the bus fee is payable on a monthly basis, irrespective of the number of days the bus facility is used.

We trust you will appreciate our student friendly gesture and extend your full cooperation

Kind regards
Dr. Lalita Singh
Principal
