Subject: Vaccination of Students

Dear Parent

Namaste

This is further to our circular dated January 02, 2022 regarding vaccinating the students between the ages of 15 -18 in school.

Kindly be informed that the vaccines are being administered in school but the process is taking a lot of time as prior registration has not been done by the students.

All parents are hereby requested to register their wards on the COWIN app / website today. Students who register on this app / website today will be administered the vaccine tomorrow in school.

Further, please note, students are NOT permitted to carry their mobile phones to school for the vaccination process.

We seek your kind cooperation in making this vaccination drive a success.

Kind regards

Dr. Lalita Singh

Principal
